

INDICT BROTHERS; CHARGE ROBBERY

Harry and Harold Gibbons Before Federal Jury for Crimes.

NOT GUILTY IS PLEA

Deny Robbing Grocery With Wilcox and Prescott; Jailed Under Bond.

Investigation of the record of the four men held in the county jail on the charge of robbing a grocery store in this city August 15, and also implicated in the murder of Walter Case west of this city on May 13, has shown that Harry Gibbons and Harold Gibbons have within the past few months been connected with other crimes for which they have been indicted by the federal grand jury. The Gibbons brothers, with C. A. Prescott and J. A. Wilcox, entered pleas of not guilty to conjoint robbery of R. M. Bell at the latter's store in August at their arraignment yesterday before Justice S. C. Maxey and were committed to jail under bond of \$5,000 for preliminary hearing next Friday.

Harry Gibbons was arrested in March while in company with Clyde Perry, Chief of Police Charles Allen and L. W. Bailey, detective, acting on advice from William Ellis, deputy United States marshal of this city, arrested the pair when they found them riding in a Ford car containing four cases of cigars, later identified as property stolen from the prison railroad at West Tulsa. Gibbons confessed to the officers and they then arrested L. Hagenbauer at his residence on North Maybelle avenue where they found four additional cases of cigars stolen from the interstate shipment. Perry pled guilty to stealing the cigars and was sentenced to one year in the penitentiary by Judge R. L. Williams in federal court. Hagenbauer resisted his case and after being found guilty, was released pending sentence by the court on July 5.

Harold Gibbons was arrested last month in connection with the shipment of a large quantity of Jamaica ginger confiscated by federal officers in Red Rock. This defendant was charging in a drug store on First street, owned by John Branham, to which part of the shipment was consigned and after the indictment of Branham and Gibbons, both were released on bonds of \$1,000 each for trial by district court. A few weeks after his release he was arrested by the police in company with his brother, Wilcox and Prescott, as suspects in the Bell store robbery and the shooting of Case, a taxi driver.
